The Doris Duke Charitable Foundation has made grants to the Doris Duke Foundation for Islamic Art in 2018 totaling \$10,809,507 to be used for the Doris Duke Foundation for Islamic Art's general operating expenses (referred to collectively as the "Grant"). Under these regulations, the Doris Duke Foundation for Islamic Art before making payment of the Grant funds. - (1) To repay any portion of the amount granted as well as income earned thereon which is not used for the purposes of the Grant stated above;
- (2) From the time the Grant is made or any portion of the Grant is received until it is fully expended or otherwise terminated, to submit a full and complete annual narrative and financial reports and a final report upon completion of the grant period, attested by the responsible financial officer of your organization or a certified public accountant, within a reasonable period of time after the close of your annual accounting period on the manner in which the Grant and income earned thereon are spent, compliance with the terms of the Grant, what was accomplished by the expenditure of funds (including a description of the progress made in accomplishing the purposes of the Grant);

Mr. Peter Simmons Page 2 October 02, 2019

we believe necessary to keep us fully appraised of the status or use of the Grant or income arising therefrom, including any information regarding the ultimate effect of the Grant, whether or not required under the terms of section 4945 of the Internal Revenue code of 1986, as amended (the "Code");

- (5) To keep these records of receipts and expenditures and copies of reports submitted to the Doris Duke Charitable Foundation for at least four years after completion of the use of the Grant funds; and

  - b) To influence the outcome of any specific public election, or to carry on, directly or indirectly, any voter registration drive (within the meaning of section 4945(d)(2) of the Code),
  - c) To make any grant which does not comply with the individual grant requirements of section 4945(d)(3) of the Code or the organization grant requirements of section 4945(d)(4) of the Code, or
  - d) To undertake any activity for any purpose other than one that is charitable, scientific, literary, educational or for the prevention of cruelty to animals, or as defined in section 170(c)(2)(B) of the Code.

In the event that you violate the terms of this letter agreement by using any portion of this Grant or any income thereon for purposes other than the purpose of the Grant as previously set forth in this letter, you agree that you will refund to the Doris Duke Charitable Foundation the full amount of the Grant and pay over to the Doris Duke Charitable Foundation any additional amount which may be necessary to effect a correction under section 4945 of the Code.

The foregoing conditions are intended to comply with obligations under United States law to make reasonable efforts and establish adequate procedures to see that grant funds are spent solely for the purposes for which they are granted, and to obtain full and complete records on how grant funds have been expended. Changes in United States laws, or in regulations interpreting them, may require the Doris Duke Charitable Foundation to ask that more detailed reports be submitted or that other steps be taken. The Doris Duke Charitable Foundation will promptly inform you of any such changes, and by signing this letter you indicate your agreement to provide such additional information and comply with such requests.

The Doris Duke Foundation for Islamic Art also agrees that no later than the end of its first taxable year after the taxable year in which it receives the Grant, it will make a qualifying distribution out of corpus,

Mr. Peter Simmons Page 3 October 02, 2019

as defined in section 4942 of the Code, equal to the value of the Grant, and, within such time period, the Doris Duke Foundation for Islamic Art agrees to provide adequate records or other sufficient evidence to the Doris Duke Charitable Foundation to demonstrate that this distribution has been made. Such records or evidence will state that the qualifying distribution has been made and will specify (1) the names and addresses of the recipients of any such qualifying distribution and the amounts paid to each, (ii) the details concerning the payment of any operating expenses which are a part of such qualifying distribution and (iii) the details concerning any operating expenses paid during any of the preceding five years which the Doris Duke Foundation for Islamic Art elects pursuant to Treas. Reg. 53.4942(A)-3(c)(2)(iv) to treat as a current distribution of corpus in order to make such qualifying distribution. Such records or evidence will also state that the qualifying distribution would be treated as a distribution of corpus under section 4942 of the Code if the Doris Duke Foundation for Islamic Art were not an operating foundation.

If this letter and its attachment correctly set forth your understanding of the arrangements made regarding this Grant, please countersign the letter and return it to the Doris Duke Charitable Foundation.

Very truly yours,

Mr. Edward P. Henry President Doris Duke Charitable Foundation 650 Fifth Avenue, 19<sup>th</sup> Floor New York, New York 10019

Dear Mr. Henry:

In 2018, the Doris Duke Charitable Foundation ("DDCF") made grants totaling \$10,809,507 to the Doris Duke Foundation for Islamic Art ("DDFIA"). By a letter dated October 02, 2019, I agreed on behalf of DDFIA to submit certain reports to DDCF for each year during which any grant funds remained unspent and a final report for the year in which all of the grant funds were spent. Since all of the grant funds were spent during 2018 the year in which they were granted, this is both a first and final report.

Name and address of grantee: Doris Duke Foundation for Islamic Art 4055 Papu Circle Honolulu, HI 96816

Purpose of Grants:

To be used for DDFIA's general operating expenses. Property owned by DDFIA is used for a charitable purpose since DDFIA facilitates the study and understanding of Middle Eastern Art and Culture.

Mr. Edward P. Henry Page 2 October 04, 2019

The following table contains the date of payment of each part of the grant that was spent in 2017, and a description of how the grant was spent by DDFIA:

Date of	Amount of	Purpose for which	
Payment	<u>Grant</u>	Grant was Used	
01/31/18	\$560,314	Employee Related Expense	es; General Admin Expenses; Program
		Related Expenses; General Operating Expenses; Capital Expenditures.	
02/28/18	\$787,919	u	u
03/31/18	\$1,001,875	u	u
04/28/18	\$577,636	u	u
05/31/18	\$1,630,993	u	u
06/30/18	\$1,251,739	u	u
07/31/18	\$611,135	u	u
08/31/18	\$536,278	u	u
09/29/18	\$892,277	u	u
10/31/18	\$724,667	u	u
11/30/18	\$1,331,641	u	u
12/31/18	\$903,033	"	u

All of the grant funds have been spent for DDFIA's operating expenses, and no portion of the grant funds has been diverted from such purpose.

In addition, in the letter dated October 02, 2019 I represented that before the end of 2018, DDFIA would make a qualifying distribution out of corpus as defined in Section 4942 of the Internal Revenue Code, in the amount of \$10,809,507 and that I would provide DDCF with adequate records or other sufficient evidence to demonstrate that this distribution has been made.

As described above, all of the grant funds were spent for reasonable and necessary administration expenses to accomplish DDFIA's charitable purposes, which are qualifying distributions. Therefore, a qualifying distribution was made of the entire value of the grants in 2018.

Since DDFIA has otherwise made qualifying distributions equal to the amount of its minimum investment return, this distribution would be treated as a distribution out of corpus if DDFIA were not a private operating foundation.

Very truly yours, Doris Duke Foundation for Islamic Art

  - c. To make any grant which does not comply with the individual grant requirements of section 4945(d)(3) of the Code or the organization grant requirements of section 4945(d)(4) of the Code, or
  - d. To undertake any activity for any purpose other than one that is charitable, scientific, literary, educational or for the prevention of cruelty to animals, or as defined in section 170(c)(2)(B) of the Code.

In the event that you violate the terms of this letter agreement by using any portion of this Grant or any income thereon for purposes other than the purpose of the Grant as previously set forth in this letter, you agree that you will refund to the Doris Duke Charitable Foundation the full amount of the Grant and pay over to the Doris Duke Charitable Foundation any additional amount which may be necessary to effect a correction under section 4945 of the Code.

section 4942 of the Code, equal to the value of the Grant, and, within such time period, Duke Farms Foundation agrees to provide adequate records or other sufficient evidence to the Doris Duke Charitable Foundation to demonstrate that this distribution has been made. Such records or evidence will state that the qualifying distribution has been made and will specify (1) the names and addresses of the recipients of any such qualifying distribution and the amounts paid to each, (ii) the details concerning the payment of any operating expenses which are a part of such qualifying distribution and (iii) the details concerning any operating expenses paid during any of the preceding five years which Duke Farms Foundation elects pursuant to Treas. Dear Mr. Henry:

In 2018, the Doris Duke Charitable Foundation ("DDCF") made grants totaling \$7,985,681 to Duke Farms Foundation ("DFF"). By a letter dated October 02, 2019, I agreed on behalf of DFF to submit certain reports to DDCF for each year during which any grant funds remained unspent and a final report for the year in which all of the grant funds were spent. Since all of the grant funds were spent during 2018 the year in which they were granted, this is both a first and final report.

Name and address of grantee: Duke Farms Foundation 1112 Dukes Parkway West Hillsborough, NJ 08844

Purpose of Grants:

To be used for DFF's general operating expenses. Property owned by DFF is used for a charitable purpose since DFF is a regional center for environmental stewardship. DFF provides educational programs to visitors as well as serving as a critical habitat for protecting endangered species of all kinds, both flora and fauna.

Mr. Edward P. Henry Page 2 October 04, 2019

The following table contains the date of payment of each part of the grant that was spent in 2018 and a description of how the grant was spent by DFF:

All of the grant funds have been spent for DFF's operating expenses, and no portion of the grant funds has been diverted from such purpose.

In addition, in the letter dated October 02, 2019, I represented that before the end of 2018, DFF would make a qualifying distribution out of corpus as defined in Section 4942 of the Internal Revenue Code, in the amount of \$7,985,681 and that I would provide DDCF with adequate records or other sufficient evidence to demonstrate that this distribution has been made. Re: Doris Duke Charitable Foundation Grant No. 2013222

Dear Mr. Henry:

Reg. §53.4945-5(c)) to DDCF for each year during which any Grant funds remained unspent and a final report for the year in which all of the Grant funds were spent. In addition, in the Grant Agreement, DDF represented that before the end of DDF's fiscal year following the year in which grant payments were received, DDF would make a qualifying distribution out of corpus as defined in IRC §4942, equal to the value of those, and that DDF would provide DDCF with adequate records or sufficient other evidence to demonstrate that this distribution has been made.

Re: Doris Duke Charitable Foundation Grant No. 2017141

Dear Mr. Henry:

In September 2017, the Doris Duke Charitable Foundation (DDCF) made a grant to the Doris Duke Foundation ("DDF") totaling \$1,650,000 (the "Grant").

By grant agreement executed December 19, 2017 (the "Grant Agreement"), DDF agreed to submit an expenditure responsibility report (as required by Treas. Reg. §53.4945-5(c)) to DDCF for each year during which any Grant funds remained unspent and a final report for the year in which all of the Grant funds were spent. In addition, in the Grant Agreement, DDF represented that before the end of DDF's fiscal year following the year in which grant payments were received, DDF would make a qualifying distribution out of corpus as defined in IRC §4942, equal to the value of those, and that DDF would provide DDCF with adequate records or sufficient other evidence to demonstrate that this distribution has been made.

### Name and address of grantee:

Doris Duke Foundation 650 Fifth Avenue, 19<sup>th</sup> Floor New York, NY 10019

**Purpose of Grant:** To support the Doris Duke Artists Award recipients, to be selected for funding through the Doris Duke Performing Artists Awards Program in 2018.

**Use of Qualifying Distribution Grant funds by DDF:** This is a report for calendar year 2018. DDF received payments from DDCF totaling \$375,000 in 2018. The grant funds were fully expended in 2018 toward the 2018 cohort of Doris Duke Artist Award recipients, as shown on the following page.

No portion of the grant funds has been diverted from the approved purpose of the Grant.

Very truly yours,

Peter Simmons Chief Operating Officer Doris Duke Foundation

DDCF Grant No. 2018236

Peter Simmons Chief Operating Officer Doris Duke Foundation 650 Fifth Avenue New York, NY 10019

Dear Mr. Simmons:

At a meeting on November 12, 2018, the Trustees of the Doris Duke Charitable Foundation ("DDCF") approved a 4-year grant ("Grant") to the Doris Duke Foundation ("DDF") totaling \$1,650,000 to support the seventh cohort of Doris Duke Artist Award recipients, to be selected for funding in 2019 by the Doris Duke Artist Awards Program (the "Awards Program").

This letter describes the terms and conditions for the Grant, including the specific "expenditure responsibility" obligations arising because DDF is a private foundation rather than a publicly supported charity.

By signing this letter, you agree on behalf of DDF to comply with the following obligations with respect to this Grant:

### **Grant Requirements**

### **Grants to Artists**

- (1) DDF will provide grants to the individual artists selected to receive funding by the 2019 selection panels of the Awards Program. Each grant will total up to \$275,000, including:
  - **\$250,000 of unrestricted funding**, to be used flexibly by the artist over four years starting July 1, 2019. The intent of this funding is to allow the artists to take creative risks, explore new ideas, and pay for important needs.
  - Up to \$25,000 as an incentive for the artist to save for his/her artistic future.
- (2) Each grant awarded shall have a grant agreement detailing the terms and conditions for use of the grant funds, including annual reporting on use of the grants. DDF agrees to submit a draft template of the grant agreement to DDCF for review and comment. In addition to other terms and conditions, the agreement template must also include the following language "[Grant Recipient] shall comply with all applicable state, city, and federal laws, ordinances, codes, and regulations. In addition, you shall comply with not-for-profit rules forbidding the carrying on of propaganda or otherwise attempting to influence legislation or intervention in (including the publishing or distribution of statements) any political campaign on behalf of any candidate for

public office. [Grant Recipient] shall obtain all permits, licenses and approvals required and shall comply with all laws in connection therewith."

- (3) DDF will make payments to each individual artist in accordance with the grant agreement and the approved grant payout schedule determined for each artist.
- (4) DDF will maintain files on each grant awarded and monitor the programmatic and financial progress of each Artist Award recipient.

### Payment of Grant Funds

(5) DDCF grant payments to DDF will be scheduled to facilitate the artists' payout schedules determined by DDF. Approximately ten days prior the scheduled payments to artists, DDF will provide DDCF with projections of its cash needs. Upon receipt and approval of the cash projections, DDCF will schedule a payment to DDF. In the event that additional cash is needed during the year, DDF may request additional payments from DDCF; DDCF will evaluate each such request within the context of its overall payout goals for the year and the Grant.

#### Expenditure Responsibility Requirements

- (6) DDF agrees to repay to DDCF any portion of the amount granted as well as income earned thereon which is not used for the purposes of the Grant stated above;
- (7) From the time the Grant is made or any portion of the Grant is received until it is fully expended or otherwise terminated, DDF agrees to submit full and complete annual narrative and financial reports and a final report upon completion of the grant period, attested by the responsible financial officer of DDF or a certified public accountant, within a reasonable period of time after the close of DDF's annual accounting period on the manner in which the Grant and income earned thereon are spent, compliance with the terms of the Grant, what was accomplished by the expenditure of funds (including a description of the progress made in accomplishing the purposes of the Grant); including a listing of each grant awarded describing the grant recipient, amount awarded, amount paid during the reporting period, and future payout scheduled by year.
- (8) DDF agrees to report the Grant separately on its books of account and to charge expenditures made in furtherance of the Grant purposes against the Grant.
- (9) DDF agrees to maintain written records of receipts and expenditures adequate to enable the use of the Grant funds to be checked readily and to make DDF's books, records and other information available for DDCF's inspection at reasonable times, which DDCF believes necessary to keep DDCF fully appraised of the status or use of the Grant or income arising therefrom, including any information regarding the ultimate effect of the Grant, whether or not required under the terms of section 4945 of the Internal Revenue code of 1986, as amended (the "Code");
- (10) DDF agrees to keep these records of receipts and expenditures and copies of reports submitted to DDCF for at least four years after completion of the use of the Grant funds; and
- (11) DDF agrees not to use any of the Grant or income arising therefrom for any of the following purposes:
  - a) To carry on propaganda, or otherwise attempt to influence legislation (within the meaning of Section 4945(d)(1) of the Code),
  - b) To influence the outcome of any specific public election, or to carry on, directly or indirectly, any voter registration drive (within the meaning of Section 4945(d)(2) of the Code),

- c) To make any grant which does not comply with the individual grant requirements of Section 4945(d)(3) of the Code or the organization grant requirements of Section 4945(d)(4) of the Code, or
- d) To undertake any activity for any purpose other than one that is charitable, scientific, literary, educational or for the prevention of cruelty to animals, all as defined in Section 170(c)(2)(B) of the Code.

### **Qualifying Distribution**

DDF also agrees that no later than the end of its first taxable year after the taxable year in which it receives a Grant payment from DDCF, it will make a qualifying distribution out of corpus, as defined in section 4942 of the Code, equal to the value of the Grant payment, and, within such time period, DDF agrees to provide adequate records or other sufficient evidence to DDCF to demonstrate that this distribution has been made. Such records or evidence will state that the qualifying distribution has been made and will specify (i) the names and addresses of the recipients of any such qualifying distribution and the amounts paid to each, (ii) the details concerning the payment of any operating expenses which are a part of such qualifying distribution and (iii) the details concerning any operating expenses paid during any of the preceding five years which DDF elects pursuant to Treas. Reg. 53.4942(A)3(c)(2)(iv) to treat as a current distribution of corpus in order to make such qualifying distribution. Such records or evidence will also state that the qualifying distribution would be treated as a distribution of corpus under section 4942 of the Code if DDF were not an operating foundation.

In the event that DDF violates the terms of this Letter Agreement by using any portion of this Grant or any income thereon for purposes other than the purpose of the Grant as previously set forth in this letter, DDF agrees that it will refund to DDCF the full amount of the Grant and pay over to DDCF any additional amount which may be necessary to effect a correction under section 4945 of the Code.

The foregoing conditions are intended to comply with obligations under United States law to make reasonable efforts and establish adequate procedures to see that grant funds are spent solely for the purposes for which they are granted, and to obtain full and complete records on how grant funds have been expended. Changes in United States laws, or in regulations interpreting them, may require DDCF to ask that more detailed reports be submitted or that other steps be taken. The DDCF will promptly inform DDF of any such changes, and by signing this letter you indicate DDF's agreement to provide such additional information and comply with such requests.

If this letter correctly sets forth your understanding of the arrangements made regarding this Grant, please countersign the letter and return it to the Doris Duke Charitable Foundation.

Sincerely,

Edward P Hen

August 31, 2018

Kenneth Tabachnick Executive Director Merce Cunningham Trust 130 West 56th Street Suite 707 New York, NY 10019-3962

Dear Mr. Tabachnick:

It gives me great pleasure to inform you that the Doris Duke Charitable Foundation (DDCF) has approved a 16-month grant in the amount of \$100,000 to the Merce Cunningham Trust. The purpose of the grant is to support the Merce Cunningham Centennial Celebration Community Programs.

Since the Merce Cunningham Trust and DDCF are both private foundations, we must enter into an expenditure responsibility agreement, the terms and conditions of which are described in the attached grant agreement. We request that you carefully review the enclosed grant agreement and sign it. If there are no questions related to the grant, please enter your electronic signature in the designated areas and return. Please retain a copy of the fully executed agreement for your records. The Electronic Funds Transfer Instructions form will be sent separately for electronic signature.

We are pleased to provide this grant and wish you every success in the activities it supports.

Sincerely,

Edward P. Henry President

### Doris Duke Charitable Foundation GRANT AGREEMENT (Expenditure Responsibility)

This Grant Agreement sets forth the terms of the 16-month \$100,000 grant (the "Grant") by the Doris Duke Charitable Foundation ("DDCF") to Merce Cunningham Trust ("GRANTEE") to cover the period September 1, 2018 through December 31, 2019. References to the "Grant Agreement" shall include this Agreement as well as the proposal and budget dated July 11, 2018 ("the Grant Documentation"). The purpose of the Grant is to support the Merce Cunningham Centennial Celebration Community Programs.

The Grant, which will be considered approved only after final execution of this document, is made subject to the following terms and conditions:

### **Program and Administrative Requirements**

- 1. The Grant is to be used by GRANTEE in accordance with the Grant Agreement and may not be used for any other purpose or program of GRANTEE without the prior written approval of DDCF.
- 2. DDCF, through its designated program director, must be consulted in advance in the event that any aspect of the program is changed or redesigned.
- 3. GRANTEE shall ensure that the terms and conditions of all sub-agreements to support work with funds from this Grant (e.g., memoranda of understanding, major subcontract, re-granting agreements, etc.) are in accordance with the terms of this Grant Agreement. GRANTEE further agrees to provide DDCF with copies of such sub-agreements should DDCF request them for its monitoring purposes. Advance notice of all major meetings, seminars and workshops relating to this project must be provided to DDCF.
- 4. GRANTEE agrees that not later than the end of its first taxable year after the taxable year in which it receives the DDCF grant payment, it will make a qualifying distribution out of corpus, as defined in section 4942 of the Internal Revenue Code (IRC), equal to the value of the Grant, and within such time period the GRANTEE agrees to provide adequate records or other sufficient evidence to DDCF to demonstrate that this distribution has been made. Such records or evidence will also state that the qualifying distribution was a distribution out of corpus under section 4942 of the IRC.
- 5. No funds may be used to:
  - a) Carry on propaganda, or otherwise attempt to influence legislation (as defined by Section 4945 of the IRC);
  - b) influence the outcome of any specific public election, or carry on, directly or indirectly, any voter registration drive (as defined in IRC Section 4945);
  - c) make an individual grant or re-grant funds to another organization unless the requirements of IRC 4945 are met; or
  - d) advance a purpose that is not specified in Section 170(c)(2)(B) of the Internal Revenue Code.
- 6. GRANTEE agrees to ensure that the Grant will be used in compliance with all applicable financing and asset control laws, regulations, rules, and executive orders.
- 7. Advance notice of all major meetings, seminars and workshops relating to this project must be provided to DDCF.
- 8. GRANTEE agrees to inform DDCF in advance (if possible) or as soon as is practical of any material organizational changes (leadership changes, legal issues, etc.).

- DDCF is committed to safe work environments free from discrimination and harassment. DDCF expects GRANTEE to maintain a safe nondiscriminatory harassment-free work environment at all times.
- 10. The DDCF contact for all communications regarding this Grant is Valerie Bailey, Program Associate for the Arts, vbailey@ddcf.org.

### Tax Exempt Status

- DDCF is making the Grant in reliance on the statements in the Determination Letters that GRANTEE is exempt from federal income taxation as an organization described in section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the "Code") and that it is a private operating foundation. Accordingly, GRANTEE agrees to notify DDCF immediately in writing of any changes to its tax-exempt status or of any change to the information contained in the Determination Letters.
- 2. No part of the Grant will be used for a purpose that is not specified in Section 170(c)(2)(B) of the Internal Revenue Code, and no part of the Grant will be used for any political lobbying activity.

### Payment and Expenditure of Grant Funds

An ACH transfer for the full amount of the Grant will be made to GRANTEE's bank upon receipt by DDCF of the Grant Agreement signed by a duly authorized representative of GRANTEE.

All interest income earned on the investment of the Grant from the time of the award to expenditure is to be used for the purposes described in the Grant Documentation.

These grant funds are restricted to the uses as described above and are to be used as represented in the approved budget included in the Grant Documentation. These grant monies are not to be used in any other way or for any other purposes without the prior written approval of DDCF. *Budget revisions of 10% or more of the total approved budget for the Grant and/or any significant changes in the original program plan must be reported and approved in writing in advance by DDCF.* 

### **Reporting and Record Keeping Requirements**

- Expenditure Responsibility Reports. GRANTEE shall submit to DDCF full and complete annual written Expenditure Responsibility reports on: (a) the use of the grant funds, (b) compliance with the terms of the Grant, and (c) the progress made by the GRANTEE toward achieving the purposes for which the Grant was made. Expenditure Responsibility reports must be provided for the year of receipt of the Grant, due February 1, 2019, and for all subsequent years on February 1 until the Grant funds are expended in full or the Grant is otherwise terminated. A final Expenditure Responsibility report is due to DDCF by February 1 of the year following final Grant expenditures.
- 2. A final report on the Grant, containing the following components, will be due to DDCF by February 1, 2020:
  - a. narrative and description of accomplishments, challenges and future plans of the funded project;
  - b. assessment of the project to date with any changes in the original plan suggested by these experiences;
  - c. copies of representative materials, brochures, reports, and other materials relating to the project, as well as representative media coverage, if any;
  - d. GRANTEE's most recent audited financial statements *that have not already been submitted to DDCF*. If the audited statement is not available at the time of the report's submission, GRANTEE should submit a copy of the unaudited statement or 990PF tax return and follow up by submitting the audited statement as soon as it is available; and

- e. separate accounting for the project funding. The accounting should include a detailed comparison of actual expenses to the approved line-item budget. Include an explanation for any overages and/or unspent funds and any revised budget and budget narrative for the following year, where appropriate. Please note: if the approved budget indirect costs as a percent of direct program costs, the indirect rate should be applied to actual expenditures during each period covered by the report.
- 3. The GRANTEE is expected to maintain complete books and records of revenues and expenditures relating to the Grant, together with appropriate supporting documentation. These books and records are to be made available for inspection at reasonable times if deemed necessary by DDCF. DDCF, at its expense, may audit or have audited the records of the GRANTEE insofar as they relate to the disposition of the funds granted by DDCF, and the GRANTEE shall provide all necessary assistance in connection therewith. Records on the Grant must be kept for at least four (4) years after completion of the Grant.
- 4. Please include the grant number (#2018140) on all correspondence.
- 5. Instructions to submit reports online will be sent in advance of the due date.

### **Acknowledgment**

Acknowledgment for the Grant should include:

- 1. A general acknowledgment of DDCF among GRANTEE's list of annual funders in all appropriate programs, publications and public announcements for the grant period.
- 2. Use of the complete Foundation name, "Doris Duke Charitable Foundation," in any public documents pertaining to the Grant. Prominence of acknowledgment should be commensurate with level of funding relative to other funding sources.

### **Publicity and Announcement**

DDCF Communications Strategy Overview: With respect to communications, DDCF's primary aims are to create transparency about its operations, illuminate issues pertaining to the field it supports, promote and support the work of its grantees, and clearly communicate the strategies of its grant-making programs. DDCF accomplishes these goals through varied communications channels, including website content, media announcements, social media and e-newsletters. DDCF, given its status as a private foundation that relies entirely on an endowment from its deceased namesake, does not participate in any activities related to fundraising, commercial advertising or retail marketing. DDCF is particularly sensitive to issues of intellectual property, trademark and copyright and, as such, will not release any detailed, nonpublic information about the funded project or use the GRANTEE's logo without explicit permission. All inquiries regarding DDCF's communications strategy, publicity and announcements about this Grant, as well as requests to use DDCF's logo shall be directed to DDCF's Communications Director, Kristin Roth-Schrefer (kschrefer@ddcf.org).

- DDCF reserves the right to announce the Grant publicly in a manner and at a time of its choosing. DDCF further reserves the right to include information relating to the Grant in materials issued by or on behalf of DDCF, including on its website. When practicable, DDCF will provide GRANTEE with an opportunity to review press releases prior to publication.
- 2. DDCF (through its Communications Director, above) must be informed in advance of any public announcement about the Grant and must be given at least three business days prior to public release to review and approve a draft of each proposed announcement. Public announcement includes press releases, newsletters, website content, invitations to DDCF-funded events or events in which work funded by the Grant will be presented. If requested, DDCF will work with the GRANTEE to design a strategy for announcing the Grant.

- 3. Any press releases about the Grant must conform to the following guidelines:
  - a. DDCF should be named in the first paragraph, and provision should be made in the release for a quote from a senior representative of DDCF.
  - b. The following description of the DDCF should be included in the announcement:

"The mission of the Doris Duke Charitable Foundation is to improve the quality of people's lives through grants supporting the performing arts, environmental conservation, medical research and child well-being, and through preservation of the cultural and environmental legacy of Doris Duke's properties."

4. Any marketing and educational materials (excluding academic publications and presentations) that include mention of DDCF must be provided to DDCF for review and approval at least three business days prior to public release.

### Conditions Necessitating a Refund to DDCF or Withholding of Grant Funds

If any of the following circumstances occur, DDCF may, at its discretion, in addition to other remedies available to it, require that GRANTEE repay, upon 30-days written notice, the full amount of the Grant funds which were unspent or inappropriately or reversibly committed as of the date of the occurrence, and DDCF shall have no further obligation to distribute any unpaid portion of the Grant to GRANTEE:

- 1. The purpose of the Grant has been fully completed or the period of time indicated in the Grant Agreement for the completion of the purpose of the Grant has expired (without being extended with the consent of DDCF).
- GRANTEE is no longer exempt from federal taxation as an organization described in Section 501(c)(3) of the Internal Revenue Code. GRANTEE agrees to notify DDCF immediately upon the occurrence of this circumstance.
- 3. GRANTEE fails to comply with any law, rule or regulation applicable to GRANTEE, to DDCF or this Grant.
- 4. If, in DDCF's judgment, GRANTEE, for any reason, becomes unable to carry out the purpose of the Grant stated in the Grant Agreement, or otherwise violates the terms of the Grant Agreement.
- 5. DDCF conveys to GRANTEE in writing any concerns about the stability of GRANTEE's operations or organization or its compliance with the terms of this Grant Agreement and the concerns are not addressed to DDCF's satisfaction within a 45-day period after notice.

### **No Assignment or Delegation**

GRANTEE may not assign or otherwise transfer any of its rights or delegate any of its obligations under the Grant Agreement or with respect to the Grant.

EXECUTIVE DIRECTOR KENNETH TABACHNICK <u>RE:</u> Expenditure Responsibility Report for Grant # 2018140 Merce Cunningham Centennial Community Programs

Dear Maurine,

This letter is intended to serve as our Expenditure Responsibility Report on the above referenced grant for the four months of the grant in 2018. The grant, in support of our Centennial Community Programs, runs from September 1, 2018 through December 31, 2019. This interim report covers the initial grant period and we will file a final report at the end of the grant term.

As we noted in our proposal to the Doris Duke Charitable Foundation (DDCF), we consider the Community Programs to be essential to expanding public access to the work of Merce Cunningham. The generous grant from DDCF allows us to actively and aggressively pursue this strategy, which relies on local partners to work with the Trust.

During the initial period (September – December 2018), the Trust supported 15 community programs. They included, amongst others, workshops and screenings in Bogota (Columbia), workshops in Palo Alto (California), Greensville (North Carolina), Toulouse (France), and Cincinnati (Ohio), and screenings and historical contextualization in Rome (Italy).

In some cases, the Trust support was limited to providing resources. In others, the Trust made grants to support the specific program in question. We believe that all the grants we made meet the requirements of qualified distributions under section 4942 of the Internal Revenue Code (IRC). In total, the Trust distributed \$11,618.47 of the grant funds during this initial period on which this letter reports. We can confirm that, to the best of our knowledge, all distributions were consistent with the terms of the grant agreement between the Trust and DDCF, none of them were made or used for prohibited activity as set forth in the IRC, and all distributions were in compliance with applicable financing and asset control laws, regulations, rules, and executive orders.

EXECUTIVE DIRECTOR KENNETH TABACHNICK The distributions we made break down as follows:

Personnel costs:	\$6,840.34
Royalties:	\$1,000.00
Studio Rental:	\$ 130.00
Travel/Per Diem Costs:	\$3,648.12

Each program is detailed below, along with the support the Trust supplied and the amount and details of any distribution of grant funds made.

We are extraordinarily grateful for the support and commitment of DDCF to our program and, specifically to this important strategic effort of the Trust. There is no doubt that the grant funds are already permitting us to have a broader reach and, therefore, a great impact with our Centennial program.

On behalf of all of the Trustees, I thank you for joining us in this important work. Please feel free to contact me if you need any additional information.

Warmest regards,

Notes:

(1) Compensation reported for the trustees disclosed on this schedule reflects payment for each individual's board service in 2017. The actual cash payments were made in January of 2018 (and the amounts have been reported on the Form 990-PF in Part I, Line 13 (d)) as part of the Foundation's current year charitable disbursements. Compensation reported for past Board of Trustees Member, Kathy Halbreich, includes a payment made in January of 2018 for board service rendered in 2017.

(2) The officers are paid compensation by the Doris Duke Management Foundation (DDMF). The hours shown on the Form 990-PF are based on an allocation of time spent on matters related to the Doris Duke Management Foundation (DDMF) and are for informational purposes only. These officers provide services to other related entities (Doris Duke Foundation (DDF), Doris Duke Management Foundation (DDMF), Duke Farms Foundation (DFF), and Doris Duke Foundation for Islamic Art (DDFIA)) and in the aggregate, hours worked on matters related to these entities equal or exceed 40 hours a week. The allocation of compensation paid by the Doris Duke Management Foundation and allocated to other related entities is based on an annual survey and is included in the management fee shown on Line 23, Part I, Other Expenses.

(3) The trustees who receive compensation are paid by the Doris Duke Charitable Foundation, even though they provide services to each of the five foundations (DDCF, DDMF, DDF, DFF, and DDFIA). The hours reported on Attachment 13 of the Form 990-PF represent an allocation of the trustees' time spent on matters related to DDCF including attendance at Board meetings and various foundation-related events and discussions. These hour allocations are reported to comply with the Form 990-PF reporting requirement, and are for informational purposes only. Trustees have oversight responsibilities and perform multiple tasks across all five foundations; and thus, significant additional hours are reported on the DDMF, DDF, DFF, DDFIA tax returns.

#### Doris Duke Charitable Foundation Form 990-PF Part IX-A: Summary of Direct Charitable Activities FYE: 12/31/2018

### **Environment** Activities

Doris Duke was a lifelong environmentalist with a keen interest in conservation. In her will, she expressed her interest in "the preservation of wildlife, both flora and fauna" and in supporting "ecological endeavors."

The mission of the Environment Program is *to ensure a thriving resilient environment for wildlife and people and foster an indusive, effective conservation movement.* It supports environmental initiatives across the nation, and strives to accomplish its mission through the following strategies:

- <u>Accelerate land conservation in an era of climate change</u> through the protection of the most climateresilient landscapes and stewardship strategies that help wildlife adapt to the impacts of climate change.
- <u>Reduce impacts on the landscape from increased energy development and energy demand</u> by facilitating the sensitive siting of energy infrastructure and deploying urban forests to reduce energy demand in the built environment.
- <u>Encourage land stewardship and sustainability in the Tri-State area</u> by supporting local efforts to manage wildlife habitat and create efficient, healthy, and vibrant built and natural environments in the greater New York City area.
- <u>Strengthen the conservation field</u> by increasing diversity in the conservation workforce and inclusion of underrepresented communities in the conservation movement. Grow the capacity of the community focused on the permanent protection of high-priority wildlife habitat through support of science, public funding and collaborative conservation.

#### Medical Research Activities

Doris Duke was a significant supporter of medical research, making contributions to hospitals and research centers throughout her life. In her will, she expressed her interest in supporting "medical research designed to effectuate cures of major diseases."

The mission of the Medical Research Program is to support the prevention, diagnosis and treatment of human disease. The Medical Research Program strives to accomplish its mission through the following strategies:

- <u>Encourage and develop clinical research careers</u> that build the clinical research career ladder by supporting physician scientists in the United States at different stages of their career.
- <u>Advance biomedical research and innovation</u> through the support of innovative approaches to clinical research in targeted disease areas.

#### African Health Activities

The foundation seeks to spur significant advances in strengthening health systems in sub-Saharan Africa through a special grant-making initiative spanning from 2008 - 2022. The African Health Initiative (AHI)

supports partnerships based at U.S. institutions that design, implement and evaluate large-scale models of care that link implementation research and workforce training directly to the delivery of primary healthcare in sub-Saharan Africa.

Now in its second phase, the African Health Initiative is currently supporting three programs:

- The Ghana Community-based Health Planning and Services (CHPS+) Program expands the work supported through AHI Phase 1 from three pilot districts to three regions and includes training in district and facility health systems leadership and management; routine use of data for decision-making; and the use of implementation science to improve the quality of health service delivery.
- The Mozambique Integrated Data and Evidence Action (IDEA) Program replicates and expands from one province in AHI Phase 1 to two provinces and includes conducting research that both improves implementation of national health policy and strategy development and increasing the capacity of district and facility management to better use data for decision-making and improved service delivery.
- The Ethiopia Data Use Partnership (DUP) improves the collection and use of high-quality routine health information at all levels of the health system, including the rollout of a new electronic health system, to improve the quality, efficiency, and availability of primary healthcare and nutrition services in the four most populous regions in Ethiopia.

# **Child Well-Being Activities**

Doris Duke took a special interest in the needs of children, supporting nearly 85 child welfare organizations during her life. Her support included contributions to orphanages, camps, mentorship programs, little league teams, hospitals, and boys and girls clubs. In her will, Doris Duke expressed her interest in "the prevention of cruelty to children."

The mission of the Child Well-being Program is to promote children's healthy development and protect them from abuse and neglect. To accomplish this mission, the program favors a public health approach and is especially interested in place-based, whole-community approaches that seek to engage a range of participants from various disciplines to ensure that family well-being is supported by strong communities. It uses the following strategies to do so:

- <u>Build a more robust repertoire of prevention strategies</u> through the support of place-based interventions that provide services at the neighborhood level to ensure that a community, not only a parent, provides a setting that promotes child well-being.
- <u>Strengthen and expand the capacity of existing systems</u> by supporting coordination within and across social service systems that engage with groups characterized as high risk for child abuse and neglect, particularly children from Native American/Alaska Native communities, youth in or transitioning out of foster care, and low-income families, to more effectively and efficiently meet their needs.
- <u>Develop and disseminate knowledge</u> by building a broader audience for the ongoing research and implementation of best-practices for child well-being, as well as supporting the training and career development of diverse leaders engaged in the multidisciplinary work of child well-being.

# **Performing Arts Activities**

Doris Duke, in her will, expressed an interest in assisting "actors, dancers, singers, musicians and other artists of the entertainment world in fulfilling their ambitions and providing opportunities for the public presentation of their arts and talents." The Arts Program supports this interest by focusing its support on contemporary dance, jazz and theater artists, and the organizations that nurture, present and produce them.

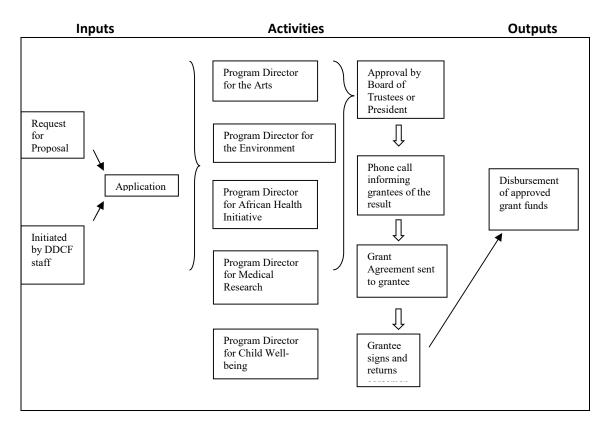

The mission of the Arts Program is to support performing artists with the creation and public performance of their work. The Arts Program accomplishes this mission through the following strategies:

- <u>Support artistic creation and distribution</u> through national competitive initiatives, mainly administered by intermediary organizations that support the commissioning, production, and presentation of new work in dance, jazz and theater. Typically, these re-granting programs offer additional benefits to supported artists, including professional development, networking opportunities, and participation in conferences and other meetings.
- <u>Strengthen organizations</u> that serve performing artists through grants that support their planning, capacity building, sustainability, technical assistance and implementation of bold, innovative approaches addressing current issues affecting the performing arts.
- <u>Build the national sector</u> by supporting activities that strengthen organizations critical to the health of the national dance, jazz, presenting and/or theater fields, as well as projects that have the potential to improve the stability and vitality of those fields.
- <u>Empower, invest in and celebrate artists</u> by offering flexible, multi-year and unrestricted funding for artists in contemporary dance, theater, jazz and related interdisciplinary work.

\*\*\*

The \$1,043,002 in direct charitable expenditures listed in Part IX-A represent amounts paid by the Doris Duke Charitable Foundation to support various meetings, conferences, seminars and other climate, conservation and/or medical research endeavours. Further information about each individual program listed in the attached schedule is available upon request.

# Doris Duke Charitable Foundation Grants Process December 31, 2018

The mission of the Doris Duke Charitable Foundation (DDCF) is to improve the quality of people's lives through grants supporting the performing arts, environmental conservation, medical research and child well-being, and through preservation of the cultural and environmental legacy of Doris Duke's properties.

#### Grant Development and Approval

Grants are either competitively awarded through Request for Proposal (RFP) processes or are initiated by the DDCF staff. Grants and proposed grant competitions are presented to the Board of Trustees at one of the four meetings that take place during the year. All grants must be approved by the Board of Trustees with the exception of the Program Fund, Cross-Program Fund, Trustee recommended grants, and grants selected through competitive, peer-reviewed program initiatives. In these cases, the Board approves a total amount for the program initiative or fund and delegates to DDCF's President Edward Henry authority to approve grants. Authority for Program Fund and Cross-Program Fund grants is sought from the Board each November for the following year. Program Fund and Cross-Program Fund grants must be for purposes that are in keeping with DDCF's mission; the amount of these grants is limited both on a per-grant basis (\$100,000 or less) and cumulative annual basis for each program (up to 5% of each Program's annual payout budget may be awarded as Program Fund grants). Additionally, the Board authorized the President to approve up to \$300,000 in Program Fund grants for the African Health Initiative (with individual grants totaling no more than \$100,000), with funding to come from the initiative's annual grants budget. All Program Fund and Cross-Program Fund grants are developed or invited by staff, undergo routine due diligence review, and are approved by the President. Cross-Program Fund grant and Program Fund grants that total more than \$50,000 are discussed at a Staff Program Review meeting prior to approval. Finally, in 2018, nine Trustees recommended grants totaling \$625,000; the grant purpose and organizations are vetted by staff and approved by the Board Chair prior to grant award.

**Grants solicited by DDCF Staff**. Edward Henry (President) is actively involved in the entire grants cycle. Prior to performing all the research on a potential grantee, the Program Director discusses the organization or proposed project with Mr. Henry. Based on this discussion, the research will begin or the project will be set aside.

All grant applications are submitted to DDCF via on-line forms, the links to which are emailed to invited applicants. Completed grant applications are retrieved electronically into DDCF's grants management system (which creates relevant organization, contact, and request records for each application). <sup>1,2</sup> Program staff then review the application to ensure that the organization meets DDCF requirements and that the program description is in line with DDCF's mission and program objectives. The application is also reviewed by the Program Associate for Grants Management to ensure that all the proper documentation has been received and the organization is a qualified not-for-profit.

Once the submitted application has been reviewed, the Program Director compiles a docket for presentation to the Board of Directors that describes the potential grantee organization and its proposed use of funds. Prior to the Board meeting, the Program Director presents the information to senior management and program staff at a Program Review session and at a "practice" session for the Board meeting. During these meetings, participating staff critique the written summary and the presentation, and appropriate changes are made, as necessary.

At the next Board meeting, the docket will be presented to the Board for their approval. The Board's decisions regarding proposed grants are documented in the Board of Director Minutes. After a grant has been approved by the board, Grants Management staff records the grant as "Approved" in DDCF's grants management system and assigns a grant number. Grants Management sends a monthly report detailing grants approved to Finance and the Accounting Manager prepares a journal entry to record the liability.

**Grants awarded through competitive Requests for Proposals.** Once the Board approves funds for a grant competition and delegates authority to approve specific grants that will be identified through that competition to the DDCF President, program staff release a Request for Proposals (RFP). The RFP specifies the purpose of the funding available through the award program, the timeline for application, the selection process, and expectations of projects selected. Competitions may involve one or two stages of application (i.e., letter of interest followed by a full proposal or just a full proposal) with staff and/or panel review at the first stage and panel review at the second stage. Applications are brought into the grants management system via on-line forms. Review panels score applications in accordance with the criteria specific to the grant program and recommend a roster of grants to DDCF. With authority delegated from the Board, the President approves grants to the projects selected via the competition. Grants Management staff conducts a standard pre-grant agreement due diligence of each institution approved for funding.

<sup>&</sup>lt;sup>1</sup> See the "Computer Information Systems" section on the last page of this document for additional details about the grants management system.

<sup>&</sup>lt;sup>2</sup> DDCF's grant records are maintained electronically in the grants management system.

#### Grant Award

Once the Board or President approves a grant, the respective DDCF program staff notify the organization by telephone. The Program Associate for Grants Management generates a draft grant agreement using the appropriate template (templates are stored in grants management system and merged with the grant data to create the grant agreement). The Program Director and Director of Grants Management review and refine the grant agreement until they are satisfied that it is complete and includes terms that are appropriate for the funded project. Once the Director of Grants Management has approved the grant agreement and award letter and verified that all grant documentation is in order, the Director of Grants Management notifies the President via e-mail that the grant is ready for approval and requests the President's approval to affix his signature (jpeg) to the agreement and award letter.

The President's approval email indicating that the grants are approved and his jpeg signature may be used is stored in the grant record and the agreement is sent to the grantee organization for electronic signature using Adobe's AdobeSign (formerly named EchoSign) product. The grant agreement specifies the total funds awarded, payment schedule, use of the funds, performance and financial reporting requirements, and various other disclosures regarding DDCF's rights (for example, to publicly announce the grant). If the grantee organization agrees to the terms of the agreement, an authorized representative of the organization will sign electronically and return the agreement to the DDCF via AdobeSign. When the fully executed grant agreement is received by DDCF, the first grant payment is initiated by Grants Management and forwarded to Finance for processing.

#### Grant Payment Process

The grant payment process is initiated after Grants Management staff has determined that all requirements for a grant payment have been met.

The Grants Associate confirms that ACH instructions are still correct and updates the grant record if necessary. The grantee data from the grants management system is exported to an Excel spreadsheet (via an automated download) which is emailed to the Accounting Manager for upload to Great Plains (GP). The information is uploaded into GP where it is reviewed and approved as per the signing authority below. Once the approvals have been made, an ACH encrypted file is generated and transmitted to Bank of America via a secured transmission website. The transmission is then verified with the bank via a phone call to an ACH automated phone system. Once the payment has been sent, the grantee and appropriate program staff are alerted by email that the ACH has been executed.

# Grant Monitoring

Within each grant agreement, the grantee agrees to provide DDCF with certain interim and final financial and program performance information. The time period for this submission varies from grant to grant. To ensure that the DDCF funds are being used in accordance with the grant agreement, the grantee is required to submit the following information:

- A narrative describing program accomplishments, challenges, and future plans
- An assessment of the project to date (have the original goals been achieved, were any program refinements necessary?)
- Copies of any literature, reports, or media coverage that was generated as a result of the grant
- A copy of the most recent audited financial statements
- A budget to actual comparison of use of the grant funds (indicating any budget modifications and explanations for budget variances)
- If a multi-year grant, a revised budget and budget narrative for the upcoming year (if warranted)
- Notification to DDCF of any changes to the organization's board, senior staff, or taxexempt status.

This information is required whether the grant period is one year or multi-year. If the grant is multi-year, the subsequent disbursements will not be made until this information has been received, reviewed, and approved by DDCF staff.

The grantee submits the required information and documentation to DDCF via on-line reporting forms. Once received, Program staff and Grants Management staff review the reports to ensure that the grantee has been using DDCF's funds for the purpose outlined in their grant agreement. This includes determining if certain project milestones have been met, whether funds have been spent reasonably and within program guidelines, and whether the project has benefited the items/population targeted in the agreement. Additionally, the financial information is reviewed by the Director of Grants Management or Program Associate for Grants Management, and either the Program Director or Program Officer – and, as necessary, by a member of the Finance Department – to ensure that the grantee is not experiencing any financial difficulties.

Once this information has been evaluated and approved by DDCF, the payment request is prepared for multi-year grants or, for single year grants, the file will be closed.

#### Computer Information Systems

In January 2017, DDCF transitioned from GIFTS, an on-site server-based grants management database system to Blackbaud Grantmaking (formerly named GIFTS Online), a cloud-based

system hosted by the same vendor.<sup>3</sup> The system is used track detailed information about each application for funding and each grant approved (payment schedules, reporting requirements, contacts, organizational information). Applications are received through an internet grants application module and retrieved into the system and their status is tracked according to their progress through the review, approval or declination, and disbursement and reporting process. The system is also used to generate grant-related documentation, including (but not limited to) grant award letters and grant agreements, payment request memoranda, and reporting review checklists, and internal grant processing emails. The system also provides reports that enable the user to project upcoming disbursements, determine when financial or other reporting information is required, track grant expiration, and track activities related to each grant.

<sup>&</sup>lt;sup>3</sup> The GIFTS and GIFTS Online systems were originally products of MicroEdge, Inc., which was subsequently acquired by BlackBaud, Inc. In 2018, the GIFTS Online product was re-branded as "Blackbaud Grantmaking."
